TESTIMONIALS

"The goal was to have an event that was small, intimate and warm. Ridgeway was the perfect setting for this event and we could not have been more pleased. The staff as always, was gracious, helpful and so very inviting to all of our guests. The food was absolutely exceptional and perfect in every way. Bernadette, we could not have been more pleased in the coordinating and orchestration that it takes to make this happen. It was a proud day for our family."

PETE & ANGELA WOOD

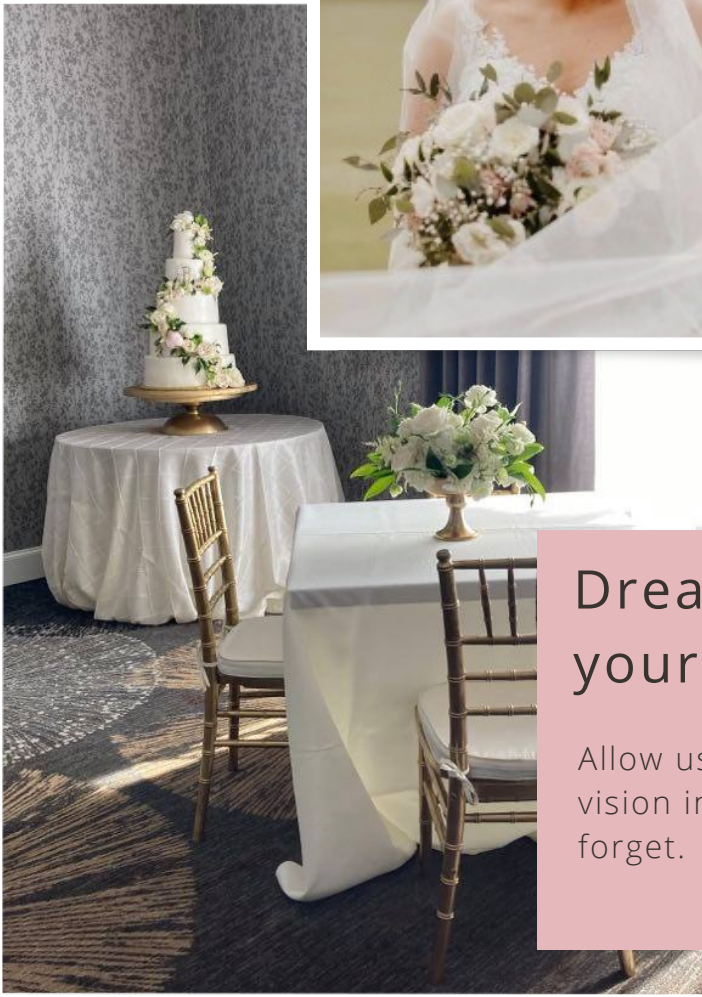

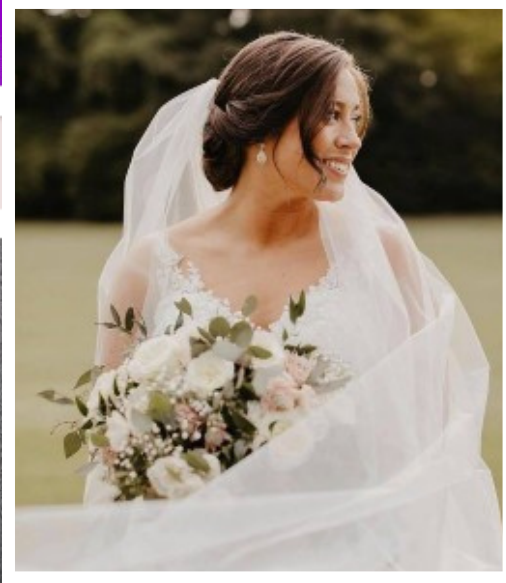

"Ridgeway Country Club is a beautiful facility with a wonderful team that are absolutely the best at what they do. Every detail of the wedding was planned perfectly by their Expert Coordinator. The flexibility provided by everyone at Ridgeway was greatly appreciated. Each activity was tailored to meet our specific needs. The excellent staff treated our guests like part of their own families! The food at the reception was incredible and the service was impeccable. We researched several venues, then settled on Ridgeway Country Club and were so very glad we did."

RICHARD & OUIDA HAYES

"Our daughter's wedding reception was held at Ridgeway Country Club in Germantown, TN. Everything about the reception was perfect. We worked with Bernadette Slavin and Chef Valerie Hall. They made sure it was the perfect venue our daughter's reception. Bernadette promised that everything would be handled seamlessly and that she would be there to handle any hiccups if they occurred. True to her word she was there most of the evening but there were no hiccups to be handled. The chef was very accommodating and worked with the families planning and preparing foods that took into consideration the allergies and gluten free needs of the families and guests. I would highly recommend this venue for any event. They were wonderful to work with."
